ARBENZ'S new Patent RUBBER-LINED THIMBLES are the only really comfortable, easy-fitting, and certainly the most perfect Thimble in the market. They will neither PINCH THE FINGERS, FALL OFF, or produce that horrid feeling caused by other thimbles when the nail comes into contact with the hard cold metal ends. The Rubber lining, being pure and free from unhealthy substances, keeps the finger perfectly clean, and prevents it from being poisoned by verdigris or other dangerous metallic deposits, always found in common thimbles. They are well made, strong, of nice appearance, and will outwear three or four of the latter; in fact, they only require to be known to gain universal appreciation. Price 6d. each; Post Free, 6d. each. May be obtained from Drapers, Haberdashers, &c., or direct from P. A. ARBENZ, 107 and 108, GREAT CHARLES STREET, BIRMINGHAM.
